- Printer credits. Can the kids get more printer credits. Chris was going to find out for us after the last meeting.
- Student Representative for council. Will this happen?
- Updating the Chestermere High School website. 1) The chair and treasurer needs to be changed. 2) I have sent in all the meeting minutes to be put on the school site and there is nothing past January 17th 2023. Where are these and why are they not up on the site? Up until Sept of 2023 they were being sent to chscouncilab@gmail.com. From Sept of 2023 they have been sent to the Principal Chris. 3) reminder to Amanda Jo to do a write up for school council to put on the website. 4) Why are the dates of our council meetings not in the School Council dates section? They are on every agenda and every meeting minutes so they should be up on the school site. 5) School council meetings need to be put in the school calendar as well so parents have an easier way to access when the meetings are by clicking on the calendar.
